**Office Order**

In view of the heavy rainfall and the alert issued by the Indian Meteorological Department (IMD) regarding adverse weather conditions in Delhi, it has been decided that all MCD schools, MCD Aided and Recognised schools will remain closed for students on 11.07.2023 for well-being of our students in light of the inclement weather conditions.

Students must be informed, well in advance, about the closure of the schools on 11.07.2023 (Tuesday) so that they do not venture out.

However, all HoSs and teachers shall come to schools as usual. All offices shall also be working.
